# Bactericidal deodoriser

**5 litres e**

- ✓ safe for carpets & fabrics
- ✓ removes stubborn odours
- ✓ kills a wide range of bacteria

**More information:**

Scan this barcode to view product details & download COSHH

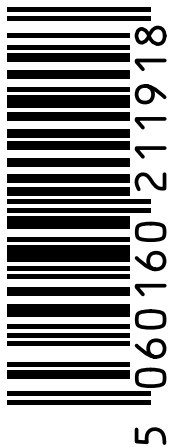

**STAGE 3:** A powerful bactericidal deodoriser with a fresh citrus fragrance. Removes odours and kills a wide range of germs. Safe to use on all carpets, fabrics and surfaces that can be wet cleaned.

**Precautions for use:** Causes serious eye damage and skin irritation. Wear protective gloves/eye protection. IF IN EYES: Rinse cautiously with water for several minutes and immediately call a doctor for medical advice. Always keep out of reach of children. For more information, please see the COSHH data sheet which can be found online [www.gompels.co.uk](http://www.gompels.co.uk)

**Directions for use:** Remove and absorb excess spillages. Dilute 10ml per 1 litre of water or use neat. Use in an extraction cleaning machine, mopping system or apply with a sprayer. Bactericidal deodoriser must come into full contact with the source of the odour to be able to eradicate the smell. Extremely bad odours may need more than one application.
