Methods for cleaning up

Wipe up with adsorbent material (e.g. cloth, fleece).

## 7. HANDLING AND STORAGE.

---

### Handling

Read the instructions on the package insert. Keep away from open flames, hot surfaces and sources of ignition.

### Storage

Keep at temperature not exceeding 25 °C.

## 8. EXPOSURE CONTROLS AND PERSONAL PROTECTION.

---

See also Section 7

### Occupational Exposure Limits

### Engineering Controls

Not required.

### Personal Protective Equipment

Avoid contact with eyes.

## 9. PHYSICAL AND CHEMICAL PROPERTIES.

---

<u>Appearance</u>	Liquid
<u>Odour</u>	Weak
<u>pH</u>	5.0-7.0.
<u>Flash Point of Contents:</u>	N/A
<u>Density at 20°C:</u>	0.96 g/cm3.
<u>Available chlorine:</u>	no data
<u>Solubility</u>	Water solubility: partly miscible..

## 10. STABILITY AND REACTIVITY.

---

Stable under recommended storage conditions.

<u>Conditions to Avoid</u>	Direct heating, dirt, chemical contamination, sunlight, UV or ionizing radiation.
<u>Materials to Avoid</u>	Incompatible with acids and bases.
<u>Hazardous Decomposition Products</u>	Thermal decomposition can lead to release of irritating gases and vapours.

## 11. TOXICOLOGICAL INFORMATION.

---

See also Section 2 and 3

Acute toxicity	This product has no known adverse effect on human health.
Local effects	Contact with eyes may cause irritation.
Human experience	This product has no known adverse effect on human health.

## 12. ECOLOGICAL INFORMATION.

---

See also Sections 6,7,13 and 15

Ecotoxicity	This product has no known eco-toxicological effects. No substantial environmental impact is expected because of physical form.
Mobility	No data is available on the product itself.
Persistence / degradability	Contains no substances known to be hazardous to the environment or not degradable in waste water treatment plants.

## 13. DISPOSAL CONSIDERATIONS.

---

### Consumer Instructions

### Bulk Quantities (Unsold stock)

Waste from residues / unused products:

Can be incinerated, when in compliance with local regulations. European Waste catalogue code (EWC-code): 18 01 09.

## 16. OTHER INFORMATION.

---

This document complements the technical usage instructions but does not replace them. The information contained herein is based on our best current knowledge of the product concerned, and is given in good faith. The attention of recipients is drawn to (amongst other things) the element of risk consequent to use of the product other than that for which it was intended.

In no way does this document remove the need of the recipient of the product to fully understand and apply statutory requirements. It is the recipient's sole responsibility to take due precautions relative to the use made of the product. All information contained herein is only to assist the recipient in fulfilling their statutory duty connected with the use of hazardous materials.

This list of information must not be considered as exhaustive, and does not exonerate the recipient from taking other precautions described in documents other than those mentioned, concerning the storage and use of the product, for which they remain the sole person responsible.
