

PRODUCT DATA SHEET

Product Name:	Giant Ink Pad
Supplier Code:	1016 series
Description:	Water-based ink pad in a shallow plastic tray with transparent plastic cover
Before use:	This product is safe to use on hands and feet. Always test a small area of skin first to check for any reactions. Apply product and leave for 30 minutes. If any reactions occur do not use. Rinse the affected area with cold water.
Safety:	Avoid contact with the eyes. In case of contact with eyes, rinse thoroughly with cold water for several minutes. If any symptoms persist seek medical attention. Avoid ingestion – although product is non-toxic, in the case of ingestion it is advisable to seek medical attention. Retain the packaging which contains a full list of ingredients.
Cleaning/Storage:	The dye should be removed from the skin using warm soapy water. Replace the cover before storing the product. The product should be stored in a dry environment, away from excessive heat and direct sunlight.
Precautions:	The dye in this product may stain. Protect clothes and furniture. Should staining occur, absorb any excess product and soak the affected item in warm water as soon as possible. The dye is water-based and can be removed by washing with a standard domestic detergent.
Edges, sharp points:	The product features no sharp edges, burrs, wires or sharp points.
Other:	No highly flammable materials present.
Dimensions:	The ink pad is 150mm in diameter, 8mm deep and the complete product weights approx. 60g when fully saturated.
Age suitability:	This product is not suitable for use by children under 3 years
Safety Standards:	EN71- 1, 2, 3, & 7 Finger Paints 3+ (small parts)
