

PRODUCT SAFETY DATA SHEET

1. IDENTIFICATION OF THE SUBSTANCE/PREPERATION AND THE COMPANY/UNDERTAKING

Product Name: Powder Paints

Supplier:

Tel: 07865340120

2. HAZARDS IDENTIFICATION

“This Safety Data Sheet is prepared voluntarily: it is not required according to Article 31 of Regulation (EC) No. 1907/2006.”

This product should not present any hazard in storage, handling and use subject to reasonable standards of industrial hygiene for any finely divided, dust forming material. See other information.

3. COMPOSITION/INFORMATION ON INGREDIENTS

Description of Material: Coloured powders

4. FIRST AID MEASURES

Eye Contact: Irrigate with water for several minutes. If irritation occurs seek medical attention.

Inhalation: Remove patient to fresh air and seek medical attention if discomfort persists.

Skin Contact: Wash with soap and water.

Ingestion: Give water to drink and seek medical attention.

5. FIRE FIGHTING MEASURES

Extinguishing media: Water, Foam, Carbon Dioxide or Dry Powder.

6. ACCIDENTAL RELEASE MEASURES

Take up spillages by mechanical means.

7. HANDLING AND STORAGE

Store in dry conditions in original containers.

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Respiratory: Wear suitable dust mask if there is likelihood of excessive dust being formed.

Eyes: Wear suitable eye/face protection if the mode of application gives rise to ingress of product into the eyes.

Hands: Wear suitable gloves if repeated skin contact is likely.

Skin: Wear suitable protective clothing appropriate to the mode of use.

9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance: Coloured powder.

Odour: none.

pH: no data available.

Boiling Point: not applicable.

Melting Point: not applicable.

Flash Point: Not determined.

Flammability: no data available.

Specific Gravity: Not determined.

Solubility: mixes with water to give coloured paint.

10. STABILITY AND REACTIVITY

Stability: Stable under normal conditions.

Conditions to avoid: Contact with acids.

Incompatible Materials: Acids.

Hazardous Decomposition Products: Contact with acids will liberate carbon dioxide.

11. TOXICOLOGICAL INFORMATION

No acute effects known.

Additional Information

When used and handled according to specifications, the product does not have any harmful effects to our experience and the information provided to us.

Powder Colours powder paints have **NOT** been approved for use in cosmetics.

12. ECOLOGICAL INFORMATION

No known adverse effects to environment, plant or aquatic life.

13. DISPOSAL

In accordance with local authority or national regulations.

14. TRANSPORT INFORMATION

Not classified as hazardous for transportation.

15. REGULATORY INFORMATION

This safety datasheet complies with the requirements of Regulation (EC) No. 1907/2006.

Hazard Symbols: None.

Risk Phrases: None.

Safety Phrases: None.

16. OTHER INFORMATION

The powder paints conform to all relevant parts of the European Toy Safety regulations (EN71).

Powder Colours powder paints have NOT been approved for use in cosmetics.

Individuals with allergies or sensitivities to particular substances should contact us on 07865 340120 for more detailed information on the components of the preparation.
